Suite 6E
New York, New York 10024

Dear Mr. Young:

References:

a. Your Freedom of Information Act (FOIA) request of March 29, 2001, for records concerning various dossiers. Your request was received in this office on April 18, 2001.

b. Our letter of April 20, 2001, informing you that additional time was needed to process your request and we were unable to comply to the 20-day statutory time limit.

We have conducted checks of the automated Defense Clearance and Investigations Index and a search of the Investigative Records Repository to determine the existence of Army intelligence investigative records responsive to your request.

We have located records pertaining to your request on Egypt Intelligence Services, ZF400034W. We have completed a mandatory declassification review in accordance with Executive Order (EO) 12958. As a result of our review, information has been sanitized as it is currently and properly classified CONFIDENTIAL according to Sections 1.3(a)(3), 1.5(b) and 1.5(c) of EO 12958. This information is exempt from the public disclosure provisions of the FOIA pursuant to Title 5 U.S. Code 552(b)(1). On March 9, 1999, the President exempted the file series in which these records are maintained from the automatic declassification provisions of EO 12958, Section 3.4, pertaining to classified records more than 25 years old. The records are enclosed for your use. A brief explanation of the applicable sections follows:

Section 1.3(a)(3) of EO 12958 provides that information shall be classified CONFIDENTIAL if its unauthorized disclosure reasonably could be expected to cause damage to the national security.

Section 1.5(b) of EO 12958 provides that foreign government information shall be considered for classification protection.

Section 1.5(c) of EO 12958 provides that information pertaining to intelligence activities, intelligence sources or methods, and cryptologic information shall be considered for classification protection.

Information has been sanitized from the records as the release of the information would result in an unwarranted invasion of the privacy rights of the individuals concerned. This information is exempt from the public disclosure provisions of the FOIA per Title 5 U.S. Code 552 (b)(6).

In addition, information has been sanitized from the records as the release of the information would reveal the identity of a confidential source. This information is exempt from public disclosure pursuant to Title 5 U.S. Code 552 (b)(7)(D). The significant and legitimate governmental purpose to be served by withholding is that a viable and effective intelligence investigative capability is dependent upon protection of confidential sources.

The withholding of information by this office is a partial denial of your request. This denial is made on behalf of Major General Keith B. Alexander, the Commanding General, U.S. Army Intelligence and Security Command, who is the Initial Denial Authority for Army intelligence investigative and security records under the FOIA. You may appeal this decision to the Secretary of the Army. If you wish to file an appeal, you should forward it to this office. Your appeal must be postmarked no later than 60 calendar days from the date of this letter. After the 60 day period, the case may be considered closed; however, such closure does not preclude you filing litigation in the courts.

During the processing of your request, information was disclosed which originated with other government agencies. This office has no authority to release these records and they are being referred, along with your request, for appropriate action under the FOIA, and direct reply to you.

In addition, we are coordination with another government agency concerning the releasability of their information contained in the records. We will inform you as to the releasability of the information upon completion of our coordination.

Fees for processing this request are waived.

If you have any questions concerning this action, feel free to contact Mrs. Reilly at (301) 677-4742. Please refer to case #804F-01.

Sincerely,

A handwritten signature in cursive script that reads "Russell A. Nichols".

DEFENSE INTELLIGENCE AGENCY

WASHINGTON, D.C. 20340-

U-6,074/ISM-1(FOIA)

10 December 2002

Mr. John Young
251 West 89th St., Suite 6E
New York NY 10024

Dear Mr. Young:

This responds to your request to the U.S. Army Intelligence and Security Command (USAINSCOM) under the Freedom of Information Act, dated 29 March 2001. Therein you requested records concerning foreign intelligence services. USAINSCOM forward fifteen documents to the Defense Intelligence Agency for our review and direct response to you.

Upon review, it has been determined that some portions of four of the documents are not releasable. The portions withheld are exempt from release pursuant to 5 U.S.C. 552 (b)(1), (b)(2), and (b)(3), Freedom of Information Act. Subsection (b)(1) applies to information properly classified under the criteria provided by Executive Order 12958. Subsection (b)(2) applies to information which pertains solely to the internal rules and practices of the agency. Subsection (b)(3) applies to information specifically exempted by a statute establishing particular criteria for withholding. The applicable statute is 10 U.S.C. Section 424. All reasonably segregable portions of the documents are attached hereto.

All substantive portions of the remaining eleven documents are not releasable. The withheld portions are exempt from release pursuant to 5 U.S.C. 552 (b)(1), (b)(2), and (b)(3), Freedom of information Act. There are no reasonably segregable portions of this exempt material.

You are advised that a requester may appeal, within 60 days, an initial decision to withhold a record or part thereof. Should you wish to exercise this right, you may do so by referring to case #0059-03 and addressing your appeal to:

Defense Intelligence Agency

MEMORANDUM FOR: THE CHIEF OF STAFF

**SUBJECT: RESIGNATION OF PRIME MINISTER ALI MAHAR AND THE ARREST
OF POLITICAL LEADERS IN EGYPT**

Egyptian Army headquarters announced, early on 7 September, that Prime Minister Ali Maher had resigned, and that 32 leading political figures had been arrested. Those arrested included Saad al Din, Secretary General of the nationalistic Wafd Party, the largest political party in Egypt. Major General Mohamed Nagib has made himself Prime Minister. His Cabinet includes at least two hold overs from Ali Maher's Cabinet as well as two members of the National Party which opposes any compromise with the British.

Comments: This action by the Army is believed to have been provoked by the failure of Maher to announce the adoption of the controversial Army-sponsored land reform bill, and by the failure of the political parties of Egypt to heed the repeated army warnings to 'purge or be purged.'

Since this measure appears to be an effort to hasten domestic reforms, it is not believed that Egyptian relations with the U.S. will be materially affected. The Egyptian Army leaders are pro-U.S. if only because they are hopeful that the U.S. will furnish them the assistance necessary to achieve realization of one of their principal goals...modernization of the Egyptian Army. They have sought, eagerly, the advice and counsel of U.S. officials in Egypt during the entire period since their successful coup. Since they are totally inexperienced in political and economic matters, and since they have sacrificed the services of Ali Maher, an able administrator, they may seek the advice of our representatives more than before.

The internal stability of Egypt will be affected adversely if these changes result in the open opposition of strong political groups whose leaders have been arrested. Whether the Army, by this action, will maintain its popular support remains to be seen. Nevertheless, the Army has demonstrated that it intends to guide Egypt's
